# Progress Report 2

- Created a UI mockup using figma
- Login interface
- Logout functionality to bring user back to login screen
- Separated driver and passenger into sections
- Set up passenger database
- API endpoints for adding and listing all passengers
- Loaded sample passenger list to driver screen
- Loaded sample map into the passenger home screen

Screens from the application so far

View Passenger List

testing 324234
2 passengers, leaving at 10:30

testing 32434
1 passenger, leaving at 13:30
